Logistics and Distribution are areas where "On Demand" is the most commonly used word. Turn-around times are tight and deadlines constantly shortened by clients. Kings understand the nature of the business and can supply trained Operators at very short notice, normally within 2 hours. We understand that print production comes in peaks and troughs, so you can book one shift at a time while you re-evaluate your workloads.

Large volume digital colour is a time consuming and sought after product, with a Kings Colour Specialist on-board we can ensure that these jobs are processed on time, with little wastage.

Kings are specialist within the Digital Document Production industry, looking at all times to assist our clients to "Get the job out on time".

A meeting with one of our Consultants is the best way for Kings to provide a tailored service,

So whether you require temporary, contract or permanent support – try Kings before you go anywhere else.
