Facilities Management

As a supplier to many of the most highly respected Document Facilities Management organisations, Kings understand the importance of supplying multi-tasking personnel with good client facing skills and the ability to work within a team. We offer immediate cover for short-term contracts from as little as one shift. Our temporary staff are always professional, hardworking and blend in with the existing FM team to ensure your client has a seamless transition of shift changes and a smooth continuation of work flow.

Permanent recruitment of document production staff is handled with swift professionalism. Having supported the FM area since the very beginning of Kings, our skills and experience of assisting facilities management organisations from 'green field' sites to existing contracts, we understand the technical customer servicing requirements placed on your staff. As such, we ensure our bespoke database holds a bank of professional personnel at all times.

So whether you require temporary, contract or permanent support – try Kings before you go anywhere else.
