& IT Recruitment

IT & Communication

Information Technology covers a vast array of products and services, with one thing in common, the ability to communicate with your clients and internal staff with speed and efficiency and keep them informed of new products and services at all times.

Kings specialist Document Production team are used to working with some of the world's most highly regarded IT specialists. We supply DTP Graphic and Text personnel to design documents, Analysts to create and manipulate documents and a whole range of Laser and Reprographic Operators to produce the documentation. A Mailing Specialist from Kings will ensure turn-around times and deadlines are met and your clients receive their literature on time.

Temporary staff can be booked for as little as one shift and contractors on fixed terms. Utilising our bespoke database, our Consultants can match candidates to your specific needs.

We understand the need for speed and efficiency combined with a professional service and provides this to our clients as a matter of pride, so why not give us a try?

So whether you require temporary, contract or permanent support – try Kings before you go anywhere else.
