Law Firms - Unique requirements

Having supported Law Firms since 1990 to present day Kings believe we have developed a sincere understanding of the pressures facing our Clients to remain at the top of their game, particularly in the current market.

Our Clients are currently operating in a fast paced digital age where traditional law practices require daily enhancement to remain competitive. Our reputation for providing a fast and effective service to our law firms has ensured our success and we are proud to support over 75% of the top 50 law firms.

Whether your needs are:-

- Reproduction of legal papers in lever arch files with accompanying documents and images;
- Printing of large format documents appropriately folded and inserted into legal presentations;
- Multiple copies of legal file boxes, typically this would be glasswork where diligence and attention to detail is paramount;
- Or your needs are more IT related in transferring data into electronic format and ensuring the correct naming convention is applied prior to burning discs to accompany your Client files

You can trust Kings to provide the right person with the appropriate skill sets to complete these tasks.

So whether you require temporary, contract or permanent support – try Kings before you go anywhere else.
